

THE WINE & TRUFFLE CO

Established in 1997, The Wine & Truffle Co. is the largest producer of fresh truffles in Australia. Located in Manjimup, Western Australia the property has over 13,000 hazel and oak trees and 30 acres of wine grapes.

The Wine & Truffle Co. fresh truffle season runs late May to mid August however, Wine and Truffle Co. offers a selection of gourmet truffle products available all year round. The Wine & Truffle Co.'s gourmet truffle products are made with truffles harvested from the Manjimup farm and then combined with other local ingredients.

Truffle Honey

Mild honey infused with the flavour and fragrance of truffles.

Use truffle honey in marinades, basting game birds or drizzle it over thinly sliced prosciutto.

To end a meal, truffle honey is delicious with parmesan or pecorino or other sheep's milk cheeses.
